

Gas Range Static Oven 600mm

CR6D

The centerpiece of any kitchen, the oven range needs to be the workhorse. The Cobra Oven Range has a generous gastronorm capacity, with standard 2/1 GN or two 1/1 GN pans (900mm) and one 1/1 GN pan (600mm) on each rack. The high crown height means the oven can consistently deliver the volume required in small and medium-sized eateries.

The optional hob variations allow for a configuration to suit your specific needs and the cast iron burners are removable for quick cleaning. Pot stands, oven liners and the steel oven base tray are all fully vitreous enameled, allowing for a ready-to-go, easy-to-use oven.

The Standards

- Stainless steel finish
- 22MJ burners
- Cast iron burners and vitreous enamel pot stands
- Manual pilot ignition
- High crown static oven
- Welded vitreous enameled oven liner
- 600MM WIDE MODULE
