The Luus Gas Oven Range is engineered to be functional, dependable, and easy to use, making it an essential component in the overall performance of your kitchen. It is available in a variety of different configurations – from standard open burner models, to combinations including grills and barbecues.

Standard Features:

- 900 wide ovens (internal dimensions 750x520x300h) come with 35mj/hr U-shape burner
- 600 wide ovens (internal dimensions 450x520x300h) come with 26mj/hr U-shape burner
- Cast iron open burners are 23 mj/hr each
- Grill (20mj/hr) and Barbecue (23mj/hr) long burners are standard with Flame Failure & Pilots
- Burners and trivets are removable and easy-to-clean
- Oven U-shape burner creates a natural convection and allows even heat distribution to all areas of the oven box
- Oven controls positioned to allow maximum oven width
- French-style oven doors
- Height adjustable feet
- Complete stainless steel exterior including side panels
- Sturdy steel frame construction for longer lasting durability
- Modular design to suit Fryers, Grills, Barbecues and Cooktops for a uniform kitchen

Optional Extras:

- Side shields
- Rear castors
- Flame Failure and Pilots (open burners only)
- Available in Natural Gas and LPG
